

Annex 1

HS6 codes of strategic sectors' products:

Advanced Digital Technologies

Computing and Data Processing Equipment

847130 – Portable digital automatic data processing machines (laptops)

847141 – Automatic data processing machines with CPU and input/output unit in same housing

847149 – Other automatic data processing machines

847150 – Processing units

847160 – Input or output units

847170 – Storage units

847190 – Other automatic data processing machines

Telecommunications Equipment

851711 – Telephone sets for cellular networks

851713 – Smartphones

851718 – Other telephones

851761 – Base stations

851762 – Machines for reception, conversion and transmission of voice/data

851769 – Other communication apparatus

Data Storage Media

852321 – Magnetic stripe cards

852329 – Other magnetic media

852341 – Optical media, unrecorded

852349 – Other optical media

852351 – Semiconductor media, unrecorded

852352 – Smart cards

852359 – Other semiconductor media

852380 – Other media for recording sound or data

Semiconductor Devices and Integrated Circuits

854110 – Diodes

854121 – Transistors (less than 1W)

854129 – Other transistors

854130 – Thyristors, diacs and triacs

854160 – Mounted piezo-electric crystals

854190 – Parts of semiconductor devices

854231 – Electronic integrated circuits: processors and controllers

854232 – Electronic integrated circuits: memories

854233 – Electronic integrated circuits: amplifiers

854239 – Other electronic integrated circuits

854290 – Parts of electronic integrated circuits

Critical Raw Materials

Graphite

250410 – Natural graphite, in powder or in flakes
250490 – Natural graphite, other

Nickel and Cobalt Ores

260400 – Nickel ores and concentrates
260500 – Cobalt ores and concentrates

Uranium and Thorium Ores

261210 – Uranium ores and concentrates
261220 – Thorium ores and concentrates

Niobium, Tantalum and Vanadium Ores

261510 – Niobium, tantalum and vanadium ores and concentrates
261590 – Other niobium, tantalum and vanadium ores and concentrates

Lithium and Alkali Metals

280519 – Alkali or alkaline-earth metals, other (includes lithium in metallic form)
283691 – Lithium carbonates
283692 – Other lithium carbonates

Rare Earth Compounds

284610 – Cerium compounds
284690 – Other rare-earth metal compounds

Nickel, Cobalt, Molybdenum and Tantalum (Unwrought or Intermediate)

750210 – Unwrought nickel, not alloyed
750220 – Unwrought nickel alloys
810210 – Molybdenum, unwrought
810294 – Other molybdenum
810320 – Tantalum, unwrought
810330 – Tantalum powders
810391 – Other tantalum
810520 – Cobalt mattes and other intermediate products
810530 – Cobalt, unwrought
810590 – Other cobalt

Energy and Climate Technologies

Crude Oil and Petroleum Products

270900 – Petroleum oils and oils obtained from bituminous minerals, crude
271012 – Light oils and preparations (motor spirit, gasoline type)
271019 – Other petroleum oils and oils obtained from bituminous minerals
271020 – Petroleum oils containing biodiesel
271091 – Waste oils containing PCBs
271099 – Other waste oils

Natural Gas and Petroleum Gases

271111 – Natural gas, liquefied
271112 – Propane, liquefied
271113 – Butanes, liquefied

271114 – Ethylene, propylene, butylene and butadiene, liquefied

271119 – Other petroleum gases, liquefied

Nuclear Materials

284410 – Natural uranium and its compounds

284420 – Uranium enriched in U235 and its compounds

284430 – Uranium depleted in U235 and its compounds

Electric Accumulators (Batteries)

850710 – Lead-acid accumulators (for starting engines)

850720 – Other lead-acid accumulators

850730 – Nickel-cadmium accumulators

850750 – Nickel-metal hydride accumulators

850760 – Lithium-ion accumulators

850780 – Other electric accumulators

850790 – Parts of electric accumulators

Health and Biotechnology

Pharmaceutical Chemical Inputs

292411 – Acyclic amides and derivatives

292419 – Other acyclic amides and derivatives

292421 – Ureines and derivatives; salts thereof

292429 – Other cyclic amides and derivatives

293321 – Hydantoin and derivatives

293329 – Other compounds containing an imidazole ring

293331 – Compounds containing an unsubstituted pyridine ring

293339 – Other compounds containing a pyridine ring

293341 – Compounds containing a quinoline or isoquinoline ring

293349 – Other quinoline/isoquinoline compounds

293359 – Other compounds containing a pyrimidine ring

293369 – Other compounds containing an unsaturated triazine ring

293391 – Alprazolam and related benzodiazepines

293399 – Other heterocyclic compounds with nitrogen hetero-atom(s) only

293410 – Compounds containing a thiazole ring

293420 – Compounds containing a benzothiazole ring

293430 – Compounds containing a phenothiazine ring

293491 – Aminorex, brotizolam and similar compounds

293499 – Other heterocyclic compounds

294110 – Penicillins and derivatives

294120 – Streptomycins and derivatives

294130 – Tetracyclines and derivatives

294140 – Chloramphenicol and derivatives

294150 – Erythromycin and derivatives

294190 – Other antibiotics

Blood Products, Vaccines and Biologicals

300290 – Human or animal blood; antisera; vaccines; toxins; cultures of micro-organisms

Medicaments

- 300310 – Medicaments containing penicillins, not packaged for retail
- 300320 – Medicaments containing antibiotics, not packaged for retail
- 300331 – Medicaments containing insulin, not packaged for retail
- 300339 – Other medicaments containing hormones, not packaged for retail
- 300341 – Medicaments containing ephedrine, not packaged for retail
- 300349 – Other medicaments containing alkaloids, not packaged for retail
- 300390 – Other medicaments, not packaged for retail
- 300410 – Medicaments containing penicillins, packaged for retail
- 300420 – Medicaments containing antibiotics, packaged for retail
- 300431 – Medicaments containing insulin, packaged for retail
- 300439 – Medicaments containing hormones, packaged for retail
- 300441 – Medicaments containing ephedrine, packaged for retail
- 300442 – Medicaments containing pseudoephedrine, packaged for retail
- 300443 – Medicaments containing norephedrine, packaged for retail
- 300449 – Other medicaments containing alkaloids, packaged for retail
- 300450 – Medicaments containing vitamins or provitamins
- 300490 – Other medicaments, packaged for retail

Medical and Health Products

- 300610 – Sterile surgical catgut and similar suture materials
- 300630 – Opacifying preparations for X-ray examinations
- 300640 – Dental cements and fillings
- 300650 – First-aid boxes and kits
- 300660 – Chemical contraceptive preparations
- 300670 – Gel preparations for human or veterinary medicine
- 300691 – Appliances identifiable for ostomy use
- 300692 – Waste pharmaceuticals

Advanced Industrial Manufacturing

Industrial Robotics

- 847950 – Industrial robots

Aircraft and Spacecraft

- 880211 – Helicopters ($\leq 2,000$ kg)
- 880212 – Helicopters ($> 2,000$ kg)
- 880220 – Aeroplanes and other aircraft ($\leq 2,000$ kg)
- 880230 – Aeroplanes and other aircraft (2,000–15,000 kg)
- 880240 – Aeroplanes and other aircraft ($> 15,000$ kg)
- 880260 – Spacecraft (including satellites)

Arms and Ammunition

- 930110 – Artillery weapons
- 930120 – Rocket launchers and similar weapons
- 930190 – Other military weapons

930200 – Revolvers and pistols
930310 – Muzzle-loading firearms
930320 – Sporting or hunting shotguns
930330 – Sporting or hunting rifles
930390 – Other firearms
930400 – Other arms (spring, air or gas guns)
930510 – Parts of revolvers or pistols
930520 – Parts of shotguns or rifles
930591 – Parts of military weapons
930599 – Other parts and accessories
930621 – Cartridges
930629 – Other cartridges
930630 – Other ammunition and projectiles
930690 – Bombs, grenades, torpedoes, mines and similar munitions
